PACKING STYLE

Ocariol is one of the leading manufacturers specializes in high quality stainless steel kitchen and bathroom sanitary ware products in China, which with a collection of design, production, sales and service. Adhering to the "bring beauty to your home"

We believe the good corporate culture and clients' experience are our most important purpose, so we are focused on the details to make it perfect. Our products' raw material is specially selected, designed with fashion, precisely produced, and with quality inspection strictly, which makes the classic products in the area of modern kitchen and bathroom industry.

Ocariol had the accurate technology and design of Germany, integrated products with life in outstanding technology and masterful craft. It focused on perfect and combination of whole beauty and usefulness, formed new concept of green health and harmony and deduced the beauty of industrial civilization residence culture thoroughly.

Ocariol is becoming a well-known kitchen sink and sanitary ware manufacture and global exporter with great reputation in industry. For developing business, catering for the need of home and abroad clients and meeting the challenges positively, the leader of company took a broad and long term view, invested in importing advanced technology and equipment from Germany and built a new factory which specializes in top grade stainless steel sink and faucet, with this condition, Ocariol is coming into being, original high grade quality make it develop fast.

Make your best choice from us, let the beauty at your home. Welcome to Ocariol.
